BOLDED ITEMS:
Lightly rinse out with water.
Wipe with napkin then place item in the recycle container.

Note: Large and bulky recyclable items such as plastic lawn furniture, pails, flattened boxes, etc. may be left next to the recycling container for pick up.

Need to Dispose of...

Motor Oil or Anti-freeze?
Containers are available 24 hrs/day at 1 Jerry Foster Way here in Havre de Grace at the entrance to the Waste Water Treatment Plant. *Directions: From Revolution St., turn at Seneca Ave., Turn right at Wilson St., and turn right again at Jerry Foster Way.*

Latex Paint Cans? Follow these steps:
If there is a small amount of wet paint in the can, remove lid, and allow paint to air dry. **Keep out of reach of children and pets.** Once paint dries, throw can away with regular garbage.
If the paint can is more than 1/4 full, mix in kitty litter or sand - this will soak it up. Once this occurs, throw can and sand/paint mixture away with regular garbage.

Enamel (oil-based) Paint & other hazardous materials must be taken to Scarboro Landfill. 3135 Scarboro Rd., Street, MD 21154 Ph. 410-638-3018

Curbside Collections - Each household is responsible for providing its own trash and recycle containers. To prevent loss or theft, mark both the lid and container with your address. **Secure your trash and recyclables to prevent wind and animals from causing a mess.**

The Container:

- Must use a metal or plastic trash can with a lid. Trash Can size cannot be more than 30 gallons and a maximum of 50 lbs. in weight when full and must be rodent proof.

Important Times to Remember:

- **Put Cans out at Curbside:** after 6 pm the night before scheduled pick-up, or before 7 am on collection day.
- **Bring Cans in from Curbside:** by 8 pm on the collection day.

CURBSIDE COLLECTIONS

City of Havre de Grace • 711 Pennington Ave. Havre de Grace, MD 21078 • 410-939-1800 • www.havredegracemd.com

EXCITING CHANGES! Effective July 1, 2017, this new schedule:

- Provides same day collection of trash and recyclables.
- Greatly reduces the number of holiday interruptions.
- Changes Yard Waste collections to Mondays - which is great for weekend yard work.

PREPARING FOR COLLECTIONS

Side - by - Side

Twigs & branches bundled, other yard waste in **paper yard bags** or containers with lid off.

Trash must be in **metal or plastic cans.** This is City Code.

Recycle Container clearly marked. Any one, or more of the ways shown here are needed.

The City of Havre de Grace is **serious about recycling paper, plastic, metal & glass.** Please take advantage of curbside recycling.

We need each household to recycle more to **help reduce the \$20,000 monthly landfill fee.** Here are some suggestions ~ make it fun!

- Encourage your family to recycle. Be the good example for your neighbors.
- Set a family goal to put out more recyclables than trash.
- Have a friendly competition with a neighbor.
- Create a Neighborhood or Street Challenge to see who can recycle more.

~ The less trash we have to take to the landfill = the less we pay in landfill fees ~
We can do this!

Effective July 1, 2017, THE FOLLOWING **5** CHANGES WILL OCCUR:

1. COLLECTION DAYS HAVE CHANGED - Find your scheduled day here →

2. TRASH AND RECYCLABLES - SAME DAY - Cans go out side-by-side

Both collections will happen on the same day. On your scheduled day you will see **2** trucks in your area - **1** collecting **Trash** and **1** collecting **Recyclables**.

★ **RECYCLING CONTAINER MUST BE CLEARLY MARKED FOR DRIVERS TO SEE.**

Set both containers out **side-by-side**.

Please designate 1 can (or more) for recycling.

The drivers will be looking for: *(in order of preference)*

- ♦ A blue or green container marked on both sides with the recycle logo or word: "Recycles" - **or** -
- ♦ A container with a plastic bag tied to the handle - **or** -
- ♦ A container with a large "x" on both sides (spray painted or duct taped)

Containers **must have a tight-fitting lid or heavy object on top** to prevent wind and animals from causing a mess.

3. HOLIDAY SCHEDULE ~ Now Easier to Remember!

THANKSGIVING DAY and **CHRISTMAS DAY**. That's it! **Only on these two holidays** will there be a change to the schedule. **ALL OTHER HOLIDAYS ARE BUSINESS AS USUAL.** Whether City Hall is closed or not, **our contractor Waste Industries, will be on the job.**

4. MONDAY is the new YARD WASTE DAY

Sorry, **No Plastic Bags** for Yard Waste.

Yard Waste is defined as: Grass clippings, leaves, branches, brush, tree trimmings and Christmas trees.

- Place Yard Waste in same spot as trash cans.
- **Paper Bagging is preferred**, but if placed in a can, pack it loosely. Contents plus the Can must not weigh more than 50 pounds. Please, **no wet grass**. If the can is too heavy to lift, it will not be collected.
- **Tie branches in bundles:** not longer than 4 feet, not wider than 2 feet, not over 50 pounds in weight, no branches over 1.5 in. round.

5. BULK COLLECTION DAY has moved to FRIDAYS

Call to schedule: **Wednesdays 8am-5pm** or **by noon Thursdays** for a Friday pick-up. Call 410-939-1800 (When City Hall is closed for national holidays or storm events, Bulk Collections will not be scheduled for that week.)

Note: This Bulk Collection Service is intended for the "occasional" need for a large item to be collected. **"Occasional" defined as 1-2 requests in a 3 month period from the same address.** The City reserves the right to deny repeated calls for this service.

For more information about Bulk Collections, please visit havredegracemd.com

NEW CURBSIDE SCHEDULE - Effective July 1, 2017

Trash and Recyclables will be collected SAME DAY!!! Put your containers out side-by-side.
